Cover GEL PROTECTION PLUS FOR SAMSUNG GALAXY GRAND NEO 19060 - GREEN

Description

Cover with a high degree of protection.

Equipped with a protruding edge that protects the screen.

The material is polished edges and satin finish on the back to ensure greater comfort and a secure fit.

The case features a convenient design that allows you to protect your smartphone from bumps and scratches. Moreover, being designed specially in its measurement, allows the use of all ports and control buttons without any problem.

The packaging includes a screen protector with an adhesive that allows you to properly position the film on the screen. Once applied, the film remains firmly fixed on the screen but it is still easy to remove if you want to change it. The film not only helps protect your screen from scratches, but at the same time also reduces the formation of reflexes and facilitates the use of the mobile phone. The cleaning cloth allows you to remove dirt and stains from the screen.

Technical

- Material cover: TPU (thermoplastic polyurethane, a polymer with great qualities of elasticity, deformability, shock absorption combined with high workability.)
- Film material: PET transparent multilayer

Packaging

- Screen Protector included
